#### Sweeping Tools

- **Bucket Capacity**: Heaped 6.6 cu. ft., Swept 5.3 cu. ft.
- **Weight**: 555 lb.
- **Overall Width**: 48.3 in.
- **Broom Diameter**: 21.4 in.
- **Gutter Brush**: Optional on the right side of the 84-inch sweeper. Or 72-inch sweeper. The gutter brush is only installed if the sweeper is used on sidewalks, docks, warehouses and more. It's perfect for cleaning parking lots, sidewalks, docks, warehouses and more.

### Sweeper

Now you can sweep, collect and dump dirt and other debris with just one attachment. Ideal for construction, industrial or municipal jobs, the hydraulically driven Bobcat sweeper is easy to attach and simple to operate going either forward or reverse. It's perfect for cleaning parking lots, sidewalks, docks, warehouses and more.

The sweeper's floating bristle head follows surface contours independent of the bucket, providing improved surface contact for better sweeping consistency. The floating head also offers ideal dimensions for longer bristle life, reducing the number of required bristle adjustments.

### Sweeper Features:

- **Reversible cutting edge helps cut through caked-on mud.**
- **Polypropylene bristles do not ravel and stay flexible even in freezing weather.**
- **Up to two SS-3 sweeper SYV-84 to 84-inch sweeper.**
- **Six access to fit a variety of Bobcat machines.**
